

# Last Minute Slouchy Hat By Isela - Using the Round Loom

By Leiza McArter

## Original Pattern by Isela Phelps

I have made some changes on making the Last Minute Slouchy Hat made originally by Isela using the circular or round loom. This will help visualize on what to do when you're using this type of loom. The rest of the instructions are from Isela Phelps' original pattern.

## Materials

**Loom:** Any size round loom of your choice (I chose a 36-peg one)

**Stitches:** k, p, e-wrap, k2tog, yo

**Yarn:** Worsted weight yarn, use 2 strands

**Notions:** Knitting tool, yarn needle.

**Gauge:** Doesn't matter. You can make it loose or tight to your preferences.

**Size:** Depends on what type of loom you use. Don't know how many rows? Check here: [Loom Size Chart](#)

**Level:** Intermediate

## Abbreviations:

**k = knit stitch**

**p = purl stitch**

**k2tog = knit two stitches together**

**yo = yarn over (simply e-wrap the peg that needs the yarn over)**

## Directions

Start off with e-wrapping around the loom. Put your slip knot on the first peg of the loom.

**Rows 1-8:** \*k2, p2; rep from \* to the end of round.

**Note:** on Row 8, make the yarn looser than the other k2 p2 rows, so you won't have trouble doing Row 9.

**Row 9:** \*Move loop on peg 2 to peg 1, yo, k2tog; rep from \* to the end of round.

(How to: \*Move the loop from the second peg over to the first peg, second peg is empty, first peg has 2 loops on it. E-wrap the first peg thus creating the yarn over (yo). Then, put the yarn in front of the second peg. Repeat from \* to the end of round)

More tips about yo k2tog for the round loom in these videos:

<http://www.youtube.com/watch?v=biVre0R4mn8> (clockwise)

[http://www.youtube.com/watch?v=\\_iEezNetFKg](http://www.youtube.com/watch?v=_iEezNetFKg) (counter-clockwise)

**Row 10:** Knit with the e-wrap method.

**Note:** Make the knits a little loose to be able to repeat the Row 9 pattern.

**Repeat Rows 9-10:** until item measures 9 inches from cast on edge, or depending on the [Loom Size Chart](#).

Bind off with gather removal method. How to do the gather removal method by Isela:
